Dear Mr. Dilworth:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **An adequate response must be received at the Commission by the response date noted above.** An itemization of the information needed follows:

-Your previous filing, the April Quarterly Report (01/01/02-03/31/02), disclosed a \$10,000 loan(s) owed to your committee by the Reform Party 2000 Convention Committee. This report, however, does not include a Schedule C to disclose the status of the loan(s), nor are there any loan repayments received on Schedule A. Please provide a Schedule C to show the status of the loan(s) and/or a Schedule A to show loan repayments received. Loans must be continuously reported until they are repaid. 11 CFR §104.3(d)

-On Schedule D of your previous report, you disclosed a debt(s) owed to "The Performance Group". This obligation(s), however, has been omitted from this report. Please amend your report to include this debt(s) on Schedule D and Line 10 of the Summary Page. All debts and obligations must be disclosed until extinguished. 11 CFR §104.11

Unlike previous election cycles, you will not receive an additional notice from the Commission on this matter. Adequate responses received on or before this date will be taken into consideration in determining whether audit action will be initiated. **Requests for extensions of time in which to respond will not be considered.** Failure to provide an adequate response by this date may result in an audit of the committee.
